

PRODUCT CODE

PROJECT

TYPE

PADO

PADO 38"

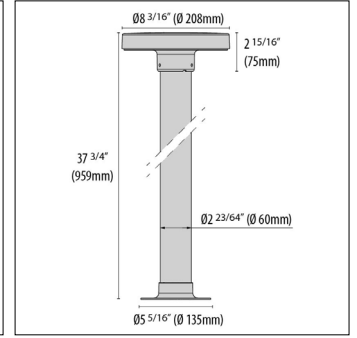

IRON GRAY
WHITE LED

ALUMINIUM METALLIC
WHITE LED

Landscaping bollard luminaire in LED, featuring:

- Polyester powder coated die-cast aluminum housing
- Painted extruded aluminum post (h 900 mm) with base plate for the PADO 900 model (38" h OA)
- Powder polyester painting process optimized against UV rays in 13 different steps
- Internally frosted glass diffuser
- Silicone gasket
- Stainless steel locking screws
- External QUICK CONNECT, electrical connection with sealed plug-socket, complete with cable
- Complying with the recommendations for glare control and upward light pollution
- Additional Heights are available; contact the factory for ordering information
